Addy's 2026-27 School Schedule

7th Grade • Monday-Thursday • August 24, 2026 - May 27, 2027

How to use this checklist

• Each page is one week. Each box is one day's work for one subject. Check the box when it's done.

• **Order that works best:** Math first (set a timer for 45-60 minutes, stop when it rings even if the lesson isn't done, pick up tomorrow). Then Writing, then Literature, then Science. History is only two days a week.

• **Writing** = Essentials in Writing Level 7. Watch the lesson video, read the page, do the activity. Keep your Writer's Notebook. 'Rewatch' days: only rewatch if you need to.

• **Literature** = Essentials in Literature Level 7. Follows the Alternative Instructional Strategies plan (some activities are trimmed on purpose). Keep your Reader's Notebook. Anything marked optional can be skipped on a busy day.

• **Writing and Literature share one plan:** it is written for 5 days a week, so on Thursdays (and in short weeks) two plan days are stacked - you'll see 'THEN:' between them. The second one is usually short.

• **Math** = Shormann Prealgebra. Solve every problem on paper before entering it. Watch the video solution for every missed problem. Quizzes are on the same day as the lesson listed.

• **Science** = DIVE Earth Science. Lesson A Monday, lesson B Tuesday, lab Wednesday, finish lab workbook Thursday. Quarterly Review weeks are light review weeks (the review is written for Honors/High School).

• **History** = Texas History (Texas 7th-grade course). Part A (watch/read) and Part B (questions, writing, or project). Full assignments are at the back of this packet.

• **Catch-up days** are built in. If you're caught up, that day is free for that subject. If you're behind, that's the day to catch up - no stress.

• **Days off:** every Friday, Labor Day (Sep 7), Sep 28, Oct 12, Thanksgiving week (Nov 23-27), Dec 14 - Jan 5, MLK Day (Jan 18), Presidents Day (Feb 15), spring break (Mar 15-19), May 3. Last day of school: Thursday, May 27.

Planned finish dates

• Writing (EIW) finished: **May 27, 2027**

• Literature (EIL) finished: **May 27, 2027**

• Math (Shormann Prealgebra) finished: **May 19, 2027**

• Science (DIVE Earth Science) finished: **May 13, 2027**

• History finished: **May 27, 2027**

Everything finishes by May 27, so a slow week here and there is fine.
